Our approach to onboarding recognized and helps overcome the most common onboarding challenges while minimizing the impact of a lack of systematic, standardized onboarding process to an organization or a role.

## Onboarding Challenges

### 1. Compliance
- Critical compliance activities
- Typical pre-boarding activities

### 2. Communication
- Communication of policies and procedures
- Information that is critical to job performance

### 3. Connection
- Integration within organization
- Integration with business, products, and customer

### 4. Competence
- Acquiring and exhibiting skills/knowledge required for the job
- Benchmarking
